

Scatolificio Niccoli Sas, being the data controller of the data it uses to carry out its activities, is legally responsible for compliance with the obligations provided for by the legislation and therefore protects their confidentiality and guarantees the necessary protection from any event that may put them at risk of violation.

To this end, Scatolificio Niccoli Sas has defined and identified processes, responsibilities and procedures in order to ensure full compliance with the requirements contained in the European GDPR Regulation 679:2016 and Legislative Decree 196:2003 and subsequent amendments.

Each data subject (e.g. a customer, an employee or a supplier) has the right to know what personal data is processed and for what purposes it is used; to access your personal data and know its origin; to revoke your consent at any time, if this is the basis for the processing; to update or rectify your personal data so that it is always accurate and accurate; to request, in the cases provided for, the deletion of the data or the temporary suspension of their use; to obtain a copy.

The attention paid by Scatolificio Niccoli Sas to privacy issues translates into a careful and pervasive activity at all levels, aimed at harmonizing the organization of management processes with the European Regulation and thus better protecting the information assets, with a view to guaranteeing the interested parties regulatory compliance at the origins of the relationship established.
